WASHINGTON, D.C. 20231

SIR:

Please consider the remarks below and amend the above-identified patent application
as follows:

IN THE CLAIMS

Please amend Claim 10 as shown in marked-up form in the attachment. Claim 10 in
clean form is shown below:

10. (Twice Amended) A connector for a cartridge of electronic parts, which is a plug
type connector fixed to a side plate of the cartridge of electronic parts, comprising:
a plug housing including a back face opposing to the side plate of the cartridge of
electronic parts;
a cover housing combined with the plug housing; and
a circuit board fixed to the back face and held by both the housings;
